

# Scholarship Application

The Rodanthe-Waves-Salvo Civic Association offers scholarships to graduating high school seniors for two years after graduation.

Scholarship funds can be used for continued education and career development after high school - be it university, community college or trade school/program. Applications are reviewed annually in the spring. Funds are distributed directly to the educational institution. Each scholarship is for \$600.

To be eligible, applicants must be full-time residents of Rodanthe, Waves or Salvo or be the dependent of a full-time permanent resident. First year applicants can apply to renew the scholarship for a second year.

A brief application is required for second year renewal.
