

Scholarship Application

The Rodanthe-Waves-Salvo Civic Association offers scholarships to graduating high school seniors.

Scholarship funds can be used for continued education and career development after high school - be it university, community college, or trade school/program. Applications are reviewed annually in the spring. Funds are distributed directly to the educational institution. Each scholarship is for \$600.

To be eligible, applicants must be full-time residents of Rodanthe, Waves, or Salvo or be the dependent of a full-time permanent resident. A brief application and interview are required.

There is a two-year window for eligibility beginning the high school graduation year. If a student does not pursue a scholarship the first year, they may still apply the second year of eligibility. First-year applicants can apply to renew the scholarship for a second year.
